

LOCAL BRIEFS.

W. C. T. U. MEETING.—The W. C. T. U. will meet at 2 o'clock this afternoon at the residence of Mrs. C. D. Saverly.

APPROVED WITH CHICKENPOX.—It was reported to the city board of health yesterday that Clark Jones, aged 2 years, who lives at 1024 Wilson avenue, has chickenpox.

SUES FOR DIVORCE.—Eliza Pierce yesterday entered suit in the district court against Joseph A. Pierce for divorce on the ground of cruelty. She alleges that her husband was in the habit of beating, striking and otherwise abusing her. The last she saw of him was when he took \$500 belonging to her, when he resided at Bingham, and went to Mexico. They were married on July 11, 1885.

SAW THE CIRCUS.—The management of the Elks' circus, coming from three stalls at the disposal of the east of the Dress Rehearsal, a courtesy much appreciated by the latter who adjourned from the hall where they were rehearsing to the Salt Lake theater and greatly enjoyed the performance by the circus.

KILL WITH THE SCAFFOLDING.—Through the fall of a scaffolding on the Lafayette building, in course of construction on Second and Main streets, and William Dunlap, brick mason's helper, were slightly injured. While a large stone was being hoisted by a crane, which the men were standing gave way and the men fell to the ground, a distance of eighteen feet. Dunlap's right ankle was sprained and Smith received bruises on the body. They were taken to their homes.

CARS COLLIDE.—Car No. 25 on the Sixth street line of the Consolidated Railway and Car No. 34 of the East Fourth South line shortly after 10 o'clock last evening, at the intersection of Second and Main streets. The Sixth street car could not be stopped on account of the fact that the condition of the rails and crashed into Car No. 34 as the latter was rounding the corner. The passengers in both cars were somewhat damaged by the impact, and an unknown woman passenger on the Fourth South car was slightly injured.

PROTECT BEEF INDUSTRY.

Matter to Be Considered at Meeting of National Livestock Association.

C. F. Martin, secretary of the National Livestock association, at Salt Lake City, and Mrs. Kennedy and Mrs. Walden of Denver, passed through Salt Lake Thursday for Portland, Ore., to attend the open headquarters in preparation for the meeting of the association next January.

Looking for a trustworthy company, said Mr. Martin last night, "as there will be several important matters taken up. The unsatisfactory attitude of the government in regard to arid lands and forest reserves will be considered, as well as the action of the beef combine, which is fast driving many stockmen to ruin. During the past few years the cattle industry has witnessed a falling off in value of \$80,000,000. That sounds like a lot of money, but it is the fact. People who fed in the middle west last winter lost from \$100,000 to \$200,000 each, and we are going to try to find some way to protect ourselves. The increase in freight rates and the difficulty of shipping have in getting cars during the past season will also be considered. Taking it altogether there appears to be a warm tone in sight and I hope Utah will send a good delegation to take part in it."
